

July 2022

With the re-election of the Ford Government in early June, OLTC has reached out and engaged the Honourable Paul Calandra, Minister of Long Term. The OLTC Board hosted the Minister for a meeting and will be continuing an ongoing engagement focused on supporting quality of life care in LTC.

The Legislature will resume sitting at the beginning of August. OLTC will be working to engage and educate new and returning MPPs on the realities and priorities to support excellent care in LTC.
