**SCHEDULE OF TOPICS**  
**JANUARY—DECEMBER 2025**  
**Time: 4:00 pm—5:00 pm EST**

*CoP webinars facilitate the exchange of knowledge and expertise, helping members stay updated with the latest trends and advancements in their field. • Professional Development: These webinars provide opportunities for continuous professional development, enabling members to enhance their skills and competencies. • Networking: Participants can connect with peers, experts, and potential collaborators, expanding their professional network. • Supportive Community: Being part of a CoP provides a sense of belonging and support, as members can share experiences and solutions to common challenges.*

*This one-credit per hour Group Learning program has been certified by the College of Family Physicians of Canada and the Ontario Chapter for up to 1 Mainpro+ credit.*
